

## Curva Lounger

*Perfect for  
Restorative  
Therapies*

Shown with IV Pole,  
Accessory Clamp and  
Armrest Bolster Accessories

The **Curva Lounger** creates the perfect balance between comfort and sociability. The NASA inspired curve and tilt creates an incredibly comfortable position that is enhanced by our cloud soft 4" AeroCel padding system. Made in our Pennsylvania factory, the Curva is built to your specifications and is highly customizable.

## IV POLE AND ACCESSORY CLAMP

(ACCESSORY)

The adjustable height IV pole can be placed on either side at the head end of the lounger, getting rid of the need for a separate IV pole stand

## IV ARMREST BOLSTER

(ACCESSORY)

Designed to work perfectly with the Curva, minimizing use of floor space while creating a stable and comfortable support.

## IV ARMREST STAND

(ACCESSORY)

Adjustable in height with locking casters, this support can be used on either side of the lounger and can be rotated outward for better access.

## SLIDING SHELF

(OPTIONAL)

Designed to be stored out of the way or pulled out to either side, this acrylic shelf is easy to clean.

## COLORLED LED LIGHTING

(OPTIONAL)

A wide range of colors and patterns are available and are accentuated by the optional shelf.

## VIBROACOUSTIC SYSTEM

(OPTIONAL)

The system is designed to deliver all the latest forms of healing modalities via a very flexible integrated delivery system.
